

Display Cases | DC

SHOWCASE YOUR FRESH-BAKED MUFFINS AND PASTRIES

Our range of Display Cases are the perfect way for operators to showcase baked goods and other menu items in a variety of available configurations. Each design features acrylic panels that provide full visibility inside — all in a small footprint that easily integrates into any restaurant space.

Increase Sales

Boost point of purchase sales at the front counter with your baked goods on display

Sealed Solution

Access fresh pastries sealed by an acrylic door that allows operators to quickly remove and load product
